## SUMMARY

---

CDL-A driver with nine years of over-the-road and regional experience hauling dry van and reefer freight, holding Hazmat and Tanker endorsements, 750,000 accident-free miles, and a 99% on-time delivery record with full hours-of-service compliance.

## EXPERIENCE

---

### CDL-A Over-the-Road Driver, National Freight Carriers

2019 – Present

*City, ST*

- Drove 120,000-plus miles per year across 48 states, logging 500,000 consecutive accident-free miles on this account.
- Delivered dry van and refrigerated freight at a 99% on-time rate while managing reefer temperatures for perishables.
- Maintained full hours-of-service compliance with electronic logging, zero violations across DOT roadside inspections.
- Completed daily pre-trip and post-trip inspections, reporting defects to keep equipment out of service when unsafe.
- Hauled tanker and placarded Hazmat loads under current endorsements, following all transport and securement rules.
- Coupled, uncoupled, and backed trailers into tight docks and yards without incident.
- Communicated delays and arrival windows with dispatch and customers to protect delivery appointments.

### Regional CDL-A Driver, Regional Distribution Trucking

2015 – 2019

*City, ST*

- Ran dedicated regional routes covering 600 to 800 miles per day with multiple stops per shift.
- Loaded, secured, and unloaded freight, verifying counts and signatures against the bill of lading.
- Managed fuel and route planning to stay on schedule while controlling fuel cost per mile.
- Operated manual and automatic transmissions on day-cab and sleeper tractors.
- Kept a clean motor vehicle record and a current DOT medical card throughout.
- Mentored two new drivers on backing, route familiarity, and customer-site procedures.
