

Warehouse Worker

(555) 010-0000 · you@example.com · City, ST · linkedin.com/in/your-name

Summary

Dependable warehouse worker with five years across receiving, picking, and shipping in fast-paced distribution centers, holding a 99.5% order accuracy rate and consistently exceeding pick-rate targets with a clean safety record.

Experience

Warehouse Associate, Regional Fulfillment Center

2021 – Present

City, ST

- Picked and packed 350-plus order lines per shift with an RF scanner, beating the rate target by 15%.
- Held a 99.5% order accuracy rate, double-checking SKUs and quantities before sealing cartons.
- Received and verified inbound trailers against purchase orders, scanning pallets into the WMS.
- Staged and labeled outbound shipments by carrier, meeting daily cut-off times during peak season.
- Replenished pick locations from bulk reserve to keep selectors supplied through high-volume days.
- Cycle-counted assigned zones weekly and resolved inventory discrepancies before they reached shipping.
- Followed OSHA lifting and aisle-safety practices across a clean injury-free record.

Material Handler, Apex Storage & Logistics

2019 – 2021

City, ST

- Unloaded and sorted inbound freight, processing 30-plus pallets per shift into assigned storage.
- Operated electric and manual pallet jacks to move and stage product across the dock.
- Wrapped, banded, and labeled pallets for outbound LTL shipments to reduce transit damage.
- Assisted with monthly physical inventory counts, reconciling counts against system records.
- Kept aisles, dock plates, and work areas clear and swept for a safe floor.
- Met daily putaway and order-staging targets while training seasonal hires on procedure.

Education

High School Diploma

2015 – 2019

Eastside High School — City, ST
